

*Golf is a game for ALL ages so come and play a round with us!*

- Hole 1/10**  
Narrow Par 4 where mountains silhouette a raised back-to-front sloping green. Beware the deep, deadly bunker left and watch out for Stonehenge on the right!
- Hole 2/11**  
Indexed as the hardest hole on the course. This undulating, narrow Par 5 has a strong right hand camber and final left hand dog-leg to a very quick, bunkerless green.
- Hole 3/12**  
Downhill Par 3 to a raised green, large dam to the left and bunker right. This is our Dr Jekyll, Mr Hyde - love it or hate it!
- Hole 4/13**  
Par 5, long and straight with trees both sides. Beware out of bounds beyond the poplars to the left. Gently sloping green to a shallow, catch-all bunker

- Hole 5/14**  
Uphill Par 4. Check the creek from the tee for platypus! Hole bends right round big tree. Green slopes back-to-front, bunkers left and right.
- Hole 6/15**  
Back to the Clubhouse and a long Par 3. Trees close in both sides and the green has a reachable steep bunker front right.
- Hole 7/16**  
Another long Par 4 over a slight dog-leg left hill to a tricky two-tiered green. Careful of the out of bounds all the way down the right.
- Hole 8/17**  
Short and sneaky Par 3. Out of bounds, overhanging trees and three bunkers guard the right of this hole. A long two-tiered green.
- Hole 9/18**  
Once more on the tee check for platypus frolicking at the final Par 4. Beware the mound left catches short low tee shots. Overhanging trees cover the right. Otherwise, just head over the slight hill to a quiet green and a refreshing drink in the Club!
